LAW FIRM LLP

ARTICLING INFORMATION 2027/2028

McTague Law Firm LLP, founded in 1920, is one of the oldest and most respected law firms in Southwestern Ontario. We have a rich history and an impressive roster of current and former Partners and Associates.

We recognize that articling is an important period, and, therefore, place a particular emphasis on our articling program. We seek well-rounded, motivated and self-starting individuals to join our firm, in a dynamic and collaborative atmosphere.

As a law firm we are strategically focused on Business Law, Employment and Labour Law, Commercial and Civil Litigation, Estates and Trusts Law, and Real Estate Law. Our articling program is specifically designed to expose articling students to a wide variety of legal matters in these areas, while retaining the flexibility to permit students to pursue their own specific interests. Working closely with lawyers from each practice area, Articling Students will have the opportunity to conduct legal research, interview witnesses, meet with clients, draft documents, assist in closing corporate and real estate transactions, and make court appearances.

The firm is looking to hire one to two students for each articling year. In hiring students, we consider academic achievement, outside interests, and personality. We specifically look for students who are hard working, can produce quality work, take responsibility, and relate well to members of our firm and our clients.

Our compensation package is competitive with other similarly sized Essex County law firms. For the right person and where the need exists, we also offer the possibility of a career path subsequent to articling. Our articling program has provided the primary source of Associates and Partners within the firm and we invite you to review the lawyer profiles on our website at www.mctague.law for examples of the outstanding people we employ and potential career paths. Historically, we've hired many articling students who have begun their career with our firm, including two students we hired last year who began as Associates in 2025.

Students who are interested in applying for an articling position should include in their package: a cover letter, resume, and copies of undergraduate and law school transcripts. Please clearly indicate that your application is for **Articling Student 2027-2028**. The applications deadline is **5:00 p.m. on Wednesday, May 13, 2026**. Please address your completed application to:
